

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Contract with Lampe Engineering for Design Work on Fallen Tree Removal:  
Mokelumne River and City Properties (\$7,890)

MEETING DATE: August 6, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve a design contract with Lampe Engineering and authorize the City Manager to execute the contract in a not-to-exceed amount of \$7,890.

BACKGROUND INFORMATION: Last winter's high water along the Mokelumne River caused the downing of nineteen (19) trees along the shoreline of City properties at Lodi Lake.

Pursuant to Council direction, staff met with the Federal Emergency Management Agency (FEMA) and toured the damages to the river banks and congestion of fallen trees to river navigation. FEMA has approved funding for tree removal of the nineteen (19) trees fronting City property with the amount to be determined when bids are received. Design and specifications for this project must meet criteria and requirements set forth by State Fish and Game, East Bay Municipal Utility District (EBMUD), Fishers Biologists and the US Corps of Engineers. The short window we have to accomplish the work during this winter has prompted the need to contract for the engineering and permitting required to accomplish this work. Mr. Lampe has worked with staff in the past in developing plans and specifications for bank stabilization in the nature area along the river.

A request for approval of plans and specifications and advertisement for bids will be brought back to City Council in September.

FUNDING: Mokelumne River Cleanup Account (10.0-93.0-016.01-323)

RESOLUTION NO. 97-118

A RESOLUTION OF THE LODI CITY COUNCIL  
APPROVING CONTRACT WITH LAMPE ENGINEERING  
FOR DESIGN WORK ON FALLEN TREE REMOVAL,  
MOKELUMNE RIVER AND CITY PROPERTIES

=====

WHEREAS, last winter's high water along the Mokelumne River caused the downing of nineteen trees along the shoreline of City properties at Lodi Lake; and

WHEREAS, staff met with the Federal Emergency Management Agency (FEMA) and toured the damages to the river banks and congestion of fallen trees to river navigation; and

WHEREAS, FEMA has approved funding for tree removal of the nineteen trees fronting City property with the amount to be determined when bids are received; and

WHEREAS, design and specifications for this project must meet criteria and requirements set forth by State Fish and Game, East Bay Municipal Utility District (EBMUD), Fishers Biologists and the U.S. Corps of Engineers.

BE IT RESOLVED, that the Lodi City Council does hereby approve a contract with Lampe Engineering for design work on Fallen Tree Removal: Mokelumne River and City Properties in an amount not to exceed \$7,890.00; and

BE IT FURTHER RESOLVED, that the City Manager is hereby authorized to execute the contract on behalf of the City of Lodi.

Dated: August 6, 1997

=====
